

# RTC 100

## Resin Tool Cleaner

### DESCRIPTION

An excellent cleaner based on powerful and unique formula of solvents specially designed for fast and effective removal of Epoxy and Polyurethanes.

This is also used as a high performance tool cleaner for cleaning all the epoxy and polyurethane residues on the applied tools and tackles.

### FEATURES

- Easy to clean any difficult epoxy and polyurethane stains on the floors, walls, tools and tackles
- Fast and effective
- Easy to use
- Solvent based
- Powerful formula

VOC Content                      930 g/l

### PACKAGING

5 kg and 30 kg container

### APPLICATION INSTRUCTIONS

RTC 100 can be used for effective cleaning of:

- The tools used for Epoxy/Polyurethane installation
- The spray machine's hose pipe, gun and nozzles
- Epoxy/Polyurethane spill over (Spillage should be absorbed with dry sand or saw dust and disposed in accordance to the local regulation prior cleaning with RTC 100)

**Note:** Prior cleaning spillages on adjacent area, a small area to be tested to avoid any discolouration/surface damage subsequently.

### STORAGE AND SHELF LIFE

RTC 100 has a shelf life of 12 months if kept in a dry store between 5°C and 30°C in the original unopened containers. The product should be protected from frost, direct sunlight and sources of heat.

### PRECAUTIONS

In case of contact with the eyes, rinse immediately with plenty of water and seek medical advice. In case of contact with the skin, wash immediately with plenty of soap and water. Prolonged contact with the skin should be avoided, especially where the user has an allergic reaction to epoxide materials. Always wear gloves and eye/face protection. Observe personal hygiene, particularly washing the hands after work has been completed or at any interruption whilst work is in progress. Care should be taken when removing gloves to avoid contaminating the insides of gloves. In case of accidents seek medical advice.

### DISPOSAL/SPILLAGE

Spillage of any of the product should be absorbed onto sand or other inert materials and transferred to a suitable disposable vessel. Disposal of such spillage or empty packaging should be in accordance with local waste disposal authority regulations.

For further information please refer to the Material Safety Data Sheet.

### CONDITIONS OF SALE

Sold subject to the Company's conditions of sale which are available on request.

### NOTE

The information supplied in this datasheet is based upon extensive experience and is given in good faith in order to help you. Our Company policy is one of continuous Research and Development; we therefore reserve the right to update this information at any time without prior notice. We also guarantee the consistent high quality of our products; however as we have no control over site conditions or the execution of the work, we accept no liability for any loss or damage which may arise as a result thereof.
